

Mama Vicki's Coney Island

A Port Huron landmark for over 80 years serving coney islands with its trademark "Over the Top" chili sauce, which by the way, is made in our kitchens daily. A unique blend of spices and beef is spooned over the top of our coneys covering the mustard and onions. Different perhaps than the traditional way of making coneys, but our tradition started many years ago with lessons taught by our Mom, "Vicki," for whom the restaurant is named. The quality of product, service, and above all, hospitality are all lessons that live on today in the way we conduct business daily. Mama Vicki's Coney Island, as it is named, honors the memory of our mother Evrithiki "Vicki" who passed away in 2003. A hard working immigrant from Greece, Mom never tired of serving her devoted customers. Hence, her nickname "Mama," given to her for the endearing manner with which she treated her guests. We thank Mom for all the lessons taught to us about service, quality and tradition. We hope to convey and pass on all of these lessons learned to our current and future customers in a way that will make her proud of us, her loving family. Thank you to all of our faithful customers and welcome to all of our new ones.

Your Hosts,
Chris (Dad), Evans and Bill Pozios
